

Seeds of faith

Pastor Jerry Kendrick

When I was young, my family used to plant a big garden and sow seeds expecting a good harvest; and when I purchased my home, I was pleased to see that my property was big enough with extra land to plant a garden.

Now here I am in this spring season, and I have my SEEDS already purchased and following nature's signs to plant again.

I say all this to encourage all of us to sow seeds in prayer!
Sow seeds of HOPE, Sow SEEDS of faith, that during this current Easter Resurrection Season Canada will be renewed – that the Holy Spirit will flow from “Sea to Sea” from the Atlantic to the Pacific – that multiple of melting hearts will turn to Jesus!

I am believing that our SEEDS of intercession will cause a revelation of a key truth that is found in Genesis 3:15. The Genesis 3:15 truth comes in the middle of the fall of Adam and Eve (their fall to Satan's temptation). God comes into the Garden and rebukes Satan and says that there will be warfare between Lucifer and the SEED of Eve.

We know the prophecy of the Messiah and we know that Jesus, the promised MESSIAH SEED is eventually born! Yes, the SEED comes, the SEED lives, the SEED teaches and reveals the Father; the SEED is sentenced to die on the Cross of Calvary, and the SEED is buried.

But that was Friday! Sunday came and the SEED JESUS is resurrected!

And so here we are to SOW SEEDS OF HOPE standing on Genesis 3:15 that the SEED will come and defeat Satan. And standing in faith on John 3:16, 17 that *“God so loved the world that He sent His Son, Jesus.”*

We are sowing SEEDS of faith that what we are doing will impact lives across Canada - that as prayer goes forth in small community churches and large city churches that our Father God will hear and answer and transform from Sea to Sea.

Let us be filled with expectation as we continue our journey in ***Resurrection Life***. We thank God for this “*so great a salvation*” and for the gift of the SEED, Jesus Christ.

God has not called His church to retreat – to step backwards but has called His church to step up – to go forward! He has called us to go forth as committed followers and to pray with purpose, Holy Spirit empowered to share the testimony of the abundant life!

Let’s believe for the Calvary tide of the Blood of Jesus to touch every foot of Canada.

Let’s believe that the SEEDS we plant will produce a great harvest!
